

Memo: To All National Tank Truck Carrier Members

**Subject: Leadership Development Training
for Basic I & Advanced Level II**

When: November 12 – 15, 2006

**Where: Purdue University Campus,
West Lafayette, Indiana**

Did you know the number one reason for failure among leaders in the nation's top companies is poor interpersonal skills? It's true and this is an opportunity for you to learn about developing your "People/Leadership Skills" and to network with others in the tank truck industry.

Plan now to attend a proven NTTC leadership development event. The training staff are proven professionals with experience in business. The training is highly interactive, thus making the training sessions come alive. Topics covered in the Basic and Advanced Courses will include instruction in:

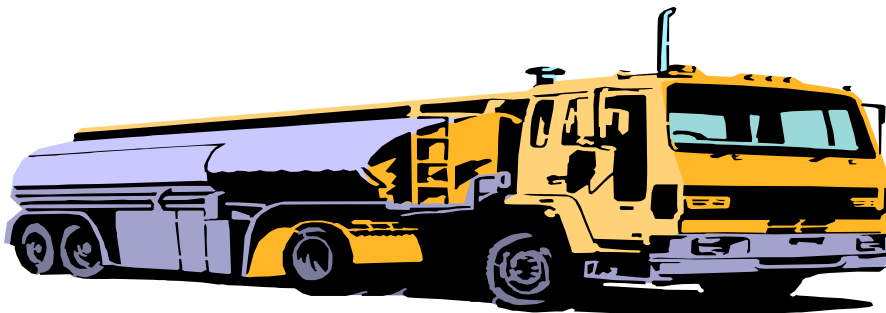

Basic Level I

- Communications
- Motivation and Attitudes
- Building Winning Teams
- Managing Conflict
- Leadership and Its Styles
- Time Management
- Problem Solving & Decision Making

Advanced Level II

- Building Self Awareness
- The Art and Science of Leadership
- Making Situational Leadership work
- Discover Emerging Leadership Strategies
- Character of Quality Leaders
- Personal and Professional Leadership Commitment

This three-day event challenges you to rethink your leadership with those with whom you interact and with those you lead. Bring a team and share the experience of this highly interactive event. Get involved and learn how to become a better leader.

See you at Purdue for the
51st Annual NTTC
Leadership Development
Conference.

2006 NTTC Leadership Development Seminar and Workshop

November 12-15, 2006

Purdue University Campus, West Lafayette, Indiana

Plan now on attending the **2006 NTTC Leadership Development Workshop** where you will be challenged in your understanding of what leadership is all about.

Leave with renewed focus and energy helping you to be more effective and efficient in your leadership responsibilities.

Topics for Basic Class

Leadership is an Attitude

(It is your attitude towards life that determines life's attitude towards you. Interested and want more? Plan now on attending.)

Communicate for Greater Understanding

(The question is, "Where does understanding occur?" Learn the answer when you come to workshop.)

Leadership Style Assessment

(Leader: Know Thyself. Come and discover your own Leadership Style.)

Your Motivational Task and Role

(Learn about different motivational techniques and develop a motivational plan for your organization.)

Managing Conflict, Counseling and Discipline

(Learn how to effectively handle conflict and mediate workplace situations.)

)

Building Winning Teams

(Experience the team process and learn the team advantage.)

Problem Solving and Decision Making Time Management

"To every man (person) there comes in his lifetime that special moment when he is figuratively tapped on the shoulder and offered the chance to do a very special thing, unique to him and fitted to his talent; what a tragedy if that moment finds him unprepared or unqualified for the work which would be his finest hour."

Winston Churchill

One can also go to: ***vantechtraining.com*** for more information.
